Subject: Draft agenda for monday technical meeting

Hi David,

This is the revised agenda – please take a look. We will send to Ron/John/others this pm

Michele

Agenda for August 10, 2015 Meeting

Category 1 follow up

- Discussion of comprehensive report – including data from information orders, final disposition of each well, etc.
- Update on “new” wells in addition to the 532
- Status of the three Chevron wells
- 11 HTAE update

Aquifer exemptions

- Arroyo Grande AE package status/technical discussion/review process
- Other packages anticipated for category 1 and category 2
